In response to the RFAI dated April 17, 2014 and due May 22, 2014, this Committee responds as follows: The name of this Committee is STOP RECKLESS ECONOMIC INSTABILITY CAUSED BY DEMOCRATS PAC. The Committee is not aware of any Candidate

for office whose name is any of "Stop", "Reckless", "Economic", "Instability", "Caused", "By", "Democrats", or "PAC".

This committee does use the "go by" name - an acronym - "Stop R - E - I - D" (spacing and dashes added for emphasis).

We hope this clarification is helpful to the Commission, which presumably would not seek to enforce some new and extra-statutory rule that PACs - for example the several hundred "leadership PACs" - may not use acronyms for their go-by name if it is in any way referential to a particular candidate for office who is generally commented upon by that PAC but is not, as defined by statute and regulation, an "authorized committee" of a candidate.
